

Diaper Cream/Ointment Permission

It is a regulation that we have your permission to apply over the counter diaper cream or ointment to your child. If you bring in diaper cream or ointment and leave it in your child's cubby, a staff member will apply as needed or per your request. Please fill out the form below and return to your child's teacher. If the form is not returned, our staff cannot apply any form of diaper cream or ointment. As always, any prescription ointment or diaper cream needs to be accompanied by a Medication Administration Authorization form.

I give permission to Stepping Stone Children's Center staff to apply diaper cream/ointment that I have provided for my child.

I do **not** give permission to Stepping Stone Children's Center staff to apply diaper cream/ointment to my child.
